

Power Supply &gt; DC to DC Module

## IDD-12250A

50 W+ 60 W DC/DC Converter Module

## Features

- » 50 W + 60 W (12 V pass thru), total power 110 W
- » AT or ATX mode on/off
- » Up to 90% efficiency
- » RoHS compliant
- » Compact size

## Specifications

| General               |                                             |
|-----------------------|---------------------------------------------|
| Dimensions            | 40 x 100                                    |
| Efficiency            | 90%                                         |
| Operating temperature | 0°C ~ 70°C                                  |
| Watt                  | 50W                                         |
| Input                 |                                             |
| Voltage               | 12 VDC                                      |
| Output                |                                             |
| Voltage               | 12 V@5 A (pass thru), 5 V@10 A & 5VSB@0.5 A |

## Ordering Information
